FINE FLORALS FOR WEDDINGS

JENNIFER MICHAUD

# Michaud Designs

has evolved from my passion for flowers and design.

We believe that a wedding should reflect you, and we take the time to create beautiful flowers and an event that will touch everyone.

Flowers are an expression and should be reflective of the sentiment of the occasion. I endeavour to capture this in my work.

We will work with you to fulfill your dream of a perfect day.

We offer a full wedding service, including:

- Personals
- Ceremony Pieces
- Table Arrangements
- Reception Decor

We will make sure your wedding flowers are a perfect match.

*When words escape, flowers speak.*
